

I get to eat chocolate  
with my salad.

*I get to spend time with myself  
whenever I want!*

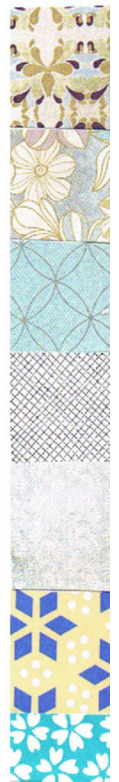

Or even as a first course!

I get to forget!

I get to laugh  
at all the things  
I don't know  
& cannot  
find!

I get to paint  
with colors  
I mix myself!  
Colors

I've never seen  
before.
